SHAPING TOMORROW.

 **DELTA GROUP**

SERVICES

The deployment, operation and maintenance of heavy plant and equipment is high risk and capital intensive. It also requires specialist skills and operating licences. Delta Group is a trusted partner for the rental of late model plant and equipment as well as for 24/7 qualified support and the personnel to help get the job done right, first time.

+ Late Model Fleet

Delta Group operates one of the largest rental fleets of specialised plant and equipment in Australia. It is regularly upgraded to ensure we capitalise on late model machinery and meticulously maintained. We have an in-house fabrication workshop to custom design precision attachments and our capacity to deploy capital expenditure for new plant and equipment gives us the flexibility to meet any client or project requirement.

More than 200 high performance specialist machines are available for hire under flexible short, medium and long term rental plans to satisfy any civil, remediation or recycling project.

- 30-50t articulated dump trucks
- 8-120t hydraulic excavators
- 10-60t wheel loaders
- Compactors, dozers and graders
- Back hoes and skid steers
- Service trucks – water, fuel

+ Maintenance Free Rental

Our purpose built, in-house mechanical and fabrication workshops ensure a meticulously maintained and fully operational fleet, including precision attachments.

+ Expert Support

Site specific 24/7 support is available 365 days a year and backed up with expert and qualified personnel, triple certified integrated management systems and GPS tracking of all plant and equipment

+ Fleet Sales

We can negotiate the sale of machinery and spare parts for clients, including Excavators, Dump Trucks, Compactors, Wheel Loaders, Graders, Dozers, Backhoes, Skid Steers or Light Towers.

+ Transport & Logistics

We can mobilise licensed transport services and proven in-house logistical systems to manage vehicle movements across hundreds of projects at any one time and we comply with the Green Building Council of Australia 'Green Star' environmental rating and credit system.

+ Specialist & Integrated Services

We can manage the recruitment and deployment of sub-contractors to mobilise Delta Rent plant and equipment. As a key division of Delta Group, we can also offer quarry operations and management, carbon abatement planning and contracting, asset recovery and salvage, marine based project management expertise, closure studies and plans, industrial plant decommissioning, and disaster or emergency response operations.

+ People

We refuse to accept anything but the very best we can give to a client and their project. We are fiercely proud of our success but we won't rest on our laurels. Nor will we get ahead of ourselves because our willingness to learn and improve is our trademark. It's why we've forged a reputation as a pioneer and trusted standard bearer of unparalleled safety, integrity, teamwork and excellence.
