

COMMERCIAL BIN HIRE

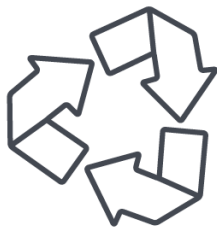

DELTA GROUP IS ONE OF THE LARGEST DIVERSIFIED CONTRACTORS OF OUR TYPE IN THE WORLD TODAY.

We offer single source project solutions involving civil and demolition works, recycling and hazardous waste removal, environmental management services, specialist design and construction, and heavy plant or equipment rental. We have the financial, organisational and operational capacity to manage hundreds of projects at any one time - Australia wide.

RECYCLING & WASTE MANAGEMENT

Delta Group diverts more than 4m tonnes of construction waste from landfill every year with more than 90% recycled and reused as 21st century building materials. We can design and deliver turnkey waste management solutions to satisfy commercial and industrial project needs, including Green Star accredited materials tracking and reporting systems and a fleet of licensed transport vehicles.

OUR CUSTOMISED BATCH PROCESSING AND COLLECTION SERVICES COORDINATE THE MOVEMENT OF EPA LICENSED WASTE TRANSPORT OPERATIONS.

- + Craneable Hook & Marrel Skip Bins
- + Front & Rear Lift Bins
- + Waste Transfer Stations
- + Clean Fill Sites
- + Materials Solution Management
- + Concrete Recycling & Contract Crushing
- + Timber Recycling
- + Scrap Steel Recycling
- + Carbon Abatement Planning & Contracting

Delta Group sites operate under approved conditions which maintain the highest level of quality control for incoming material, reprocessing and finished product sales.
